

Welcome to the ARC Family! Whether you or a loved one are recovering from aphasia, you'll find support and understanding at the Aphasia Recovery Connection.

About the Aphasia Recovery Connection, a non-profit org

ARC is a nonprofit organization supporting people recovering from sudden onset aphasia due to strokes, brain injuries, or brain surgery. Founded by stroke survivor David and his mother Carol, ARC understands firsthand how isolating the recovery journey can be.

ARC's Aphasia Family

- Individuals with aphasia
- Care partners
- Speech therapists
